ALUMNI FEEDBACK ON CURRICULUM 2022-2023

ACTION TAKEN REPORT

The analysis of the feedback collected from alumni revealed the following findings:

- The syllabus could be updated to incorporate topics more relevant to the clinical field.
- The college should offer internship opportunities to give students practical exposure and experience, allowing them to apply classroom knowledge to real-life scenarios.
- Enhance placement assistance to better support student job placement.
- Add more programs on skill development, extracurricular activities, gender sensitiveness, and human values.

Action taken based on the findings:

- The relevant clinical topics are communicated to students through classroom sessions, medical camps and related programmes.
- Collaborations were made with local businesses, industries, and organizations to create internship programs that provide students with practical experience.
- Expanded the college's career and placement services by appointing a dedicated staff to coordinate and manage internships, helping students secure placements that align with their academic interests.
- Value education programmes with defined syllabus are conducted as a part of the curriculum to impart moral values to our youth.

ALUMNI FEEDBACK ON CURRICULUM 2021-2022

ACTION TAKEN REPORT

The analysis of the feedback collected from students revealed the following findings:

- Incorporate internships and certificate programmes.
- Include more interactive programmes.
- Enhance the infrastructure to support and improve the overall learning environment and student experience.

The analysis of the feedback collected from students revealed the following findings:

- The College offers opportunities for students' skill development through various programmes, including SSP, ASAP, WWS, Certificate/Diploma/NSQF courses.
- Included more interactive programmes in the department level and college level such as organizing workshops, interactive study sessions, and collaborative group projects.
- Augmented infrastructure to support academic growth, by renovating career cell, library, reprographic centre, K. E. Media hub and smart class rooms.

ALUMNI FEEDBACK ON CURRICULUM 2020-2021

ACTION TAKEN REPORT

The analysis of the feedback collected from alumni revealed the following findings:

- Ensure career orientation related to the curriculum.
- Augment library and laboratory facilities.

Action taken based on the findings:

- Ten career orientation programmes were conducted. The college placement cell was strengthened with the help of college alumni.
- Library resources are augmented every year with new additions.
- Equipments are routinely inspected by laboratory assistants and user register is maintained in all laboratories.

ALUMNI FEEDBACK ON CURRICULUM 2019-2020

ACTION TAKEN REPORT

The analysis of the feedback collected from alumni revealed the following findings:

- Strengthen industry connections.
- Enhance soft skills development.
- Include more career support programmes.
- Strengthen the alumni engagement.

Action taken based on the findings:

- Initiated collaborations and MoUs with recognized institutions to offer our students enhanced learning opportunities.
- A series of workshops and seminars focusing on essential soft skills, such as communication, leadership, teamwork, and emotional intelligence, have been conducted through different training programmes.
- New initiatives, such as mock interview sessions, resume writing workshops, and career fairs, have been introduced to better prepare students for job applications and interviews.
- The institution has ramped up its efforts to host regular alumni events, such as reunions, alumni lecture series and networking sessions, to strengthen the bonds between current students and alumni. An ample opportunity for this is offered by the Global Alumni Meet.

ALUMNI FEEDBACK ON CURRICULUM 2018-2019

ACTION TAKEN REPORT

The analysis of the feedback collected from alumni revealed the following findings:

- Introduce new certificate courses.
- Arrange more skill development programs.
- Organize more workshops and scholarly meetings in research methodology.
- Syllabus should be designed with more thrust on the market requirements.

Action taken based on the findings:

- Departments in consultation with the Head of the institution, decided to introduce new certificate courses aligned with current industry demands.
- Skill development workshops have been conducted incorporating both technical and soft skills.
- A series of scholarly meetings and workshops have been held, significantly benefiting both students and faculty.

Our suggestions and recommendations were informed to the Board of Studies of Mahatma Gandhi University Kottayam through the proper channel.
