TEACHERS FEEDBACK ON CURRICULUM 2022-2023

ACTION TAKEN REPORT

The analysis of the feedback collected from alumni revealed the following findings:

- The frequent paper valuation camps should be reconsidered, as they hinder the timely completion of the syllabus.
- Regular and periodic revision of the syllabus is essential.

Action taken based on the findings:

- The response received is communicated to the authorities of the affiliating University.
- In the four year UG programme scheduled to commence from the academic year 2024–25, a two week internship is mandatory for students after the second semester of the programme.

TEACHERS FEEDBACK ON CURRICULUM 2021-2022

ACTION TAKEN REPORT

The analysis of the feedback collected from students revealed the following findings:

- Encourage skill acquisition for industry placements
- Invest more time in project work
- Implement eco-friendly initiatives.
- Regularly update the syllabus

Action taken based on the findings:

- Conducted skill acquisition programs aligned with industry needs.
- Complementary courses like "Economies of Environment and Social Sector" and "Environmental Science and Ecotourism" were integrated to raise awareness of environmental challenges and promote sustainable practices. The college actively supports eco-friendly initiatives such as World Environment Day events, sapling distribution, and Plastic-Free Campaigns, emphasizing the interconnectedness of nature and human life.
- The syllabus of the programme is designed by the affiliated university. However, the required updates in the subject area are communicated to students through classroom sessions.
