

Intellectual Property Rights (IPR) Cell

Intellectual Property Right (IPR) Cell of the college aims to provide awareness on intellectual property rights for teachers, research scholars and students. The activities of the IPR cell during the academic year 2022-23 were coordinated by Dr.Jesty Thomas (Department of Chemistry), Dr. Jaiby Joseph (Department of Physics) Mrs. Aparna Raj, (Department of Physics) and Dr. Vinu J George (Department of Politics). The cell conferred awareness on copyright, trademark, patents etc. for students and encouraged faculty for availing intellectual properties such as Patents. The cell suggested all the departments to include sessions on intellectual property rights while conducting seminars/webinars in the current academic year and accordingly the departments included IPR based sessions during webinars.

IPR cell attempts to develop foresight and encourage the research activities of the teachers and students. To provide a platform to share their knowledge in different areas, an interdisciplinary research journal entitled “New Numbers and Letters” is published.

Report of the activities (2022-23)

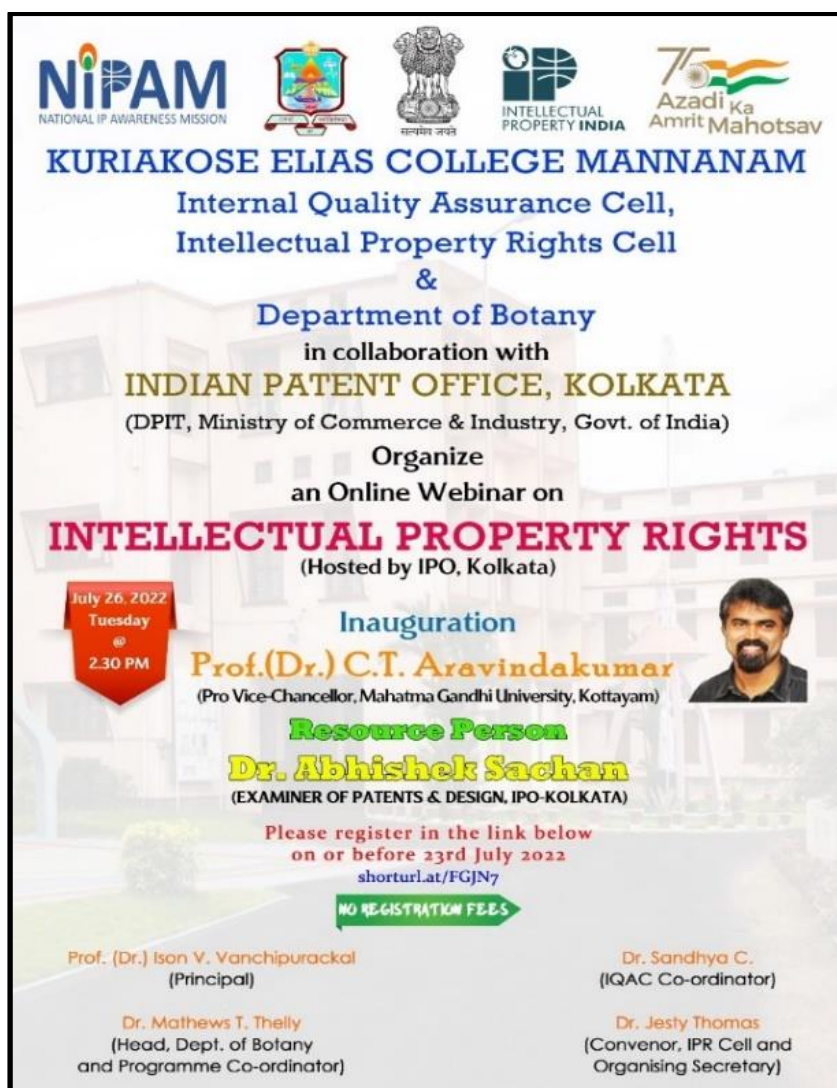

On the occasion of 75th anniversary of independence, Govt. of India has launched National Intellectual Property Awareness Mission (NIPAM) under the banner ‘Azadi ka Amruth Mahotsav’ to create widespread awareness on IPR. As per the order from Govt. of Kerala No. K3/139/2022-HEDN dated 04-07-2022, IPR cell and IQAC of K.E. College, Mannanam organized an online webinar on “Intellectual Property Rights (IPRs)” in collaboration with ‘The Indian Patent Office’, Kolkata. The webinar was conducted through google meet platform (link, <https://forms.gle/bkPkP9xqfW9KNoYL8>).

Dr. Sandhya C, IQAC Coordinator, welcomed the gathering and Prof. Ison V. Vanchipurackal, Principal of the college delivered principal’s address. The Programme was inaugurated by Prof. C.T Aravindakumar, Pro-vice chancellor, Mahatma Gandhi University, Kottayam. The resource person Dr. Abhishek Sachan, Examiner of Patent & Design, IPO, Kolkata delivered an inspiring talk on intellectual Property Rights. Dr. Abhishek shared his splendid knowledge and experience in Intellectual Property Rights and Patents. Drafting of the patents and the patent rules were well explained and discussed the salient features of IPR and gave an in-depth idea about copyrights, trademarks and patents. He also explained the importance to guard the thoughts and

innovations by patenting. The webinar ended up with vote of thanks by Dr.Jesty Thomas, Coordinator of IPR Cell. More than 100 people were participated in the webinar and was beneficial to faculty and students of various departments.

The poster features logos for NIPAM (National IP Awareness Mission), the Government of India, Intellectual Property India, and the 75th Azadi Ka Amrit Mahotsav. The text is centered and reads: 'KURIAKOSE ELIAS COLLEGE MANNANAM Internal Quality Assurance Cell, Intellectual Property Rights Cell & Department of Botany in collaboration with INDIAN PATENT OFFICE, KOLKATA (DPIT, Ministry of Commerce & Industry, Govt. of India) Organize an Online Webinar on INTELLECTUAL PROPERTY RIGHTS (Hosted by IPO, Kolkata)'. Sub: Awareness Programme on Intellectual Property Rights (IPR) under National Intellectual Property Awareness Mission (NIPAM) - Invitation - Reg.

Sir,

On the occasion of the 75th anniversary of independence, Government of India has launched the National Intellectual Property Awareness Mission (NIPAM) under the banner "Azadi ka Amrit Mahotsav" to create widespread awareness on IPR. The Government of India has started this mission under which awareness on Intellectual Property Rights (IPR) would be imparted to 1 million students.

Our office has already started approaching schools, colleges and academic institutions for conducting IPR Awareness Programs among the student community. In order to gain momentum to this mission, the Office of Controller General of Patents, Designs and Trade Marks seeks your support for outreaching all sections of people including students and research scholars.

The seminar will be conducted free-of-cost and is conceptualized in the below format :-

- Resource Person : Officer (Group 'A' Gazette) of Patent Office
- Mode of seminar/program : Offline (at the institution) or Online (webinars)
- Duration of the program : 30-40 minutes
- Certification : Certificates by Govt. of India shall be issued to all the participants and Letter of Appreciation shall be awarded to the Institution.

India's position in the global innovation index has peaked at 48th rank in 2020 when compared to 81st in 2015-16. This awareness program would expose the aspirants to various types of IPR which will motivate them to innovate and further transform their innovative ideas into Intellectual Property assets. This would not only foster the industrial growth but would also enable our country to move forward in the Global Innovation ranking.

You are requested to disseminate the information among the Colleges/Universities in the State and issue suitable instructions to them to conduct IPR Awareness programs (offline or online) in association with the Patent Office, Chennai. The institutions may be informed to contact us @ nipam-chennai@gov.in

Your extensive co-operation is highly solicited in this regard.

Yours sincerely,

[S. Thangapandian]

Deputy Controller of Patents & Designs
and Head of Office

Report of the activities of IPR Cell 2019-20

IPR cell of the college created a favorable environment in the academics for the development of Intellectual Property. The activities of the IPR cell during the academic year 2019-20 were coordinated by Dr. Jesty Thomas, Asst. Professor, Department of Chemistry and Dr. Jaiby Joseph, Asst. Professor, Department of Physics. The cell conferred awareness on Copyright, Trademark etc. for students and encouraged faculty for availing Intellectual Properties such as Patents. The cell suggested all the departments to include sessions on intellectual property rights while conducting seminars in the current academic year and accordingly the departments included IPR based sessions during seminars. IPR cell and IQAC of the college initiated two seminars in association with departments of Economics and History and the details are given below.

1. Seminar on ‘Intellectual Property Rights’ held on 2nd March 2020

As per joint decisions made by the IPR Cell and IQAC of the college, a seminar on ‘Intellectual Property Rights’ was held on 2nd March 2020 in collaboration with the Economics Department of the college. The resource person was Dr. Ajish P Joy, Deputy News Editor, The Week. The title of the talk was “IPR and International Relations”. Dr. Ajish P Joy has PhD in International Relations from JNU, and handles foreign affairs coverage at The Week.

The seminar was a one day program. Principal of the college Dr. Antony Thomas presided over the program and the chief guest Dr. Ajish P Joy inaugurated the event. Dr. Rinu Jose, HOD, Economics and Dr. Bijo Joseph, co-ordinator of the program also spoke at the inaugural function. It was attended by faculty members from various departments and almost 100 students.

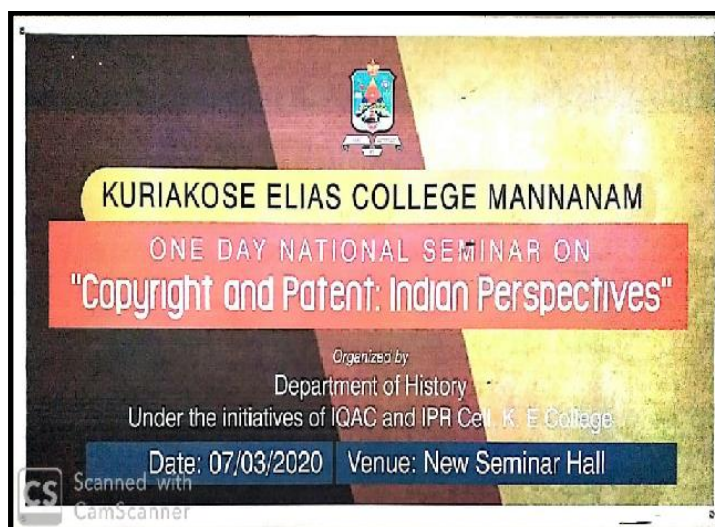

2. Seminar on ‘Copyright and Patent; Indian Perspective ’ held on 7th March 2020

IPR Cell & IQAC of the College conducted a seminar on “**Copyright and Patent; Indian Perspective**” in association with the Department of History of the college. Ms. Sijimol C G, HOD & Convener of the seminar welcomed the gathering. Vice-Principal of the college Rev. Fr. Joby Joseph presided over the program and the former Head of the department of History, Dr. Rosamma Mathew inaugurated the event. Dr. Sandhya C, NAAC Coordinator felicitated during the inaugural session.

Resource person, Adv. Ammu Brigit, Associate, Media and Technology Law Practice, Chennai gave a general introduction to IPR and copy rights. She also handled an interactive session on music and film copyrights.

Dr. Jesty Thomas, Coordinator of the cell, handled a session on “Academic Plagiarism” for the Seminar.

The seminar was beneficial to faculty and students of various departments and other colleges.
