

## Young Innovators Programme (YIP)

YIP provides institutions with a singular platform for cultivating innovation, nurturing talent, gaining certification, fostering collaboration, offering scholarships, guiding careers, and contributing to Kerala's innovation ecosystem. It empowers institutions to shape the future through innovation, support, and collaboration.

**SOCIAL/ACADEMIC/ ENVIRONMENTAL RELEVANCE OF THE PROGRAMME:** The programme aims to empower our students to innovate new products, services or models to meet emerging requirements, unarticulated needs, or existing market needs of the society more effectively through an innovative challenge. Build a strong pool of mentors to identify, assess and track innovations as well as provide young innovators the necessary academic, domain specific as well as psycho-social support necessary through the process.

### Young Innovators Programme (2019-2020)

**Short description of the Programme:** Kerala Development Innovation and Strategic Council (K-DISC) in association with ICT Academy of Kerala conducted a two day Facilitators workshop on “Design for Kerala” on 30<sup>th</sup> and 31<sup>st</sup> January 2020 at Hotel Joyees Residency, Kottayam. Dr. Dhannya P. Joseph participated in the workshop.

In observation with this, we arranged a gathering of our students and sharing the valuable experience and ideas. All the participants were actively involved in this session. Then we talk about how to make a plan for improving the skills of a person owing it, to discover his/her strong points, to find out the things they need help with an eventually becoming a better professional and a more self-assured individual..`
