## 1. Campus Outreach Programme on Energy Conservation (E-SMART)

Date of the event & Time :20 th January 2022 at 2PM

Platform : offline (At St. Augustine Higher Secondary School, Karimkunnam)

Name of the event. : Making of the Best Energy Efficient Light Bulb - LED

Number of participants : 24

We people waste a lot of energy in our daily usage either by not turning the lights off when not in use or by utilizing old and inefficient appliances that consume large amount of energy or by not switching off the vehicle engine when the light is really long. Energy needs to be conserved not only to cut costs but also to preserve the resources for longer use.

For this, the Department of Physics with Applied Electronics and Department of Computer Applications in association with IEDC and IIC conducted one day workshop on “LED Bulb making”, on 20 th January 2022 at 2PM at St. Augustine Higher Secondary School, Karimkunnam as an initiative for the conservation and preservation of energy and resources for longer use.

Mr. Anish Kumar P.S, Ms Sruthy S, Ms Sunu Ann Thomas, Mr Manu P Rajan Assistant Professors, Dept of physics with Applied Electronics, K.E College, Mannanam, conducted the workshop for the Electronics students. Around 24 students participated in the workshop.

The students were familiarized about the component of LED bulb and their assembly. The students made the LED bulb individually and made it a successful one. The teachers of K.E College, Mannanam handed over the LED bulbs assembled by the Electronics students to the principal of St. Augustine Higher Secondary School, Karimkunnam Mr. U.K Stephen to

money for the study materials was raised through the One Notebook campaign organized by social work students. Children's magazines were also received in collaboration with Manorama. During the covid pandemic situation, a small group of teachers and students went to Kozhimalai and the student group interacted with Sri. Balan, who is the young king of Kozhimalai. Student Coordinators of the programme were TSW Amrutha TS and TSW Megha George.

Kozhilmala is the headquarters of Mannan community which preserves certain customs, traditions and form of governance that make them a unique tribal unit. The system of governance here is a democratic - monarchy in which a king is elected by the people to rule. The dynastic succession is through the matrilineal system of inheritance by which the properties are inherited by the nephew. The administration of Mannan community inhabited here is held by Raja Mannan (King of Mannans), the title given to the elected king. He holds the responsibility to take care of the other 42 Kudis (settlements) spread over the various parts of Idukki district. Today, these Kudis are located in places like Kumali, Adimaly, Vathikudy, Maniyarankudy, Machiplavu, Korangatti, Kattappana, Murickassery, Thopramkudy, Nedumkandam, Mankulam, Irumpupalam etc. The king has a council of 9 ministers named Kanis (community leaders) who assist him to settle the disputes regarding marriage, divorce, internal and external affairs. Annual meetings are held every year for the leaders who represent various kudis. These Kanis are also responsible to elect a new king after the death of any king. The current king of this community is 'Raman Raja Mannan', an economics graduate from Maharaja's college in Ernakulam, who ascended the throne following the demise of his uncle 'Ariyan Raja Mannan', the 16th king of this tribal dynasty. It is believed that the Mannan community were the warrior tribe of Pandyan lines, fled to the forest interiors of Idukki at time of the prolonged war between Cheras and Cholas in ancient Tamilakam. Today, they host an annual festival named 'Kalavoottu' as a tribute to nature for providing sufficient harvest. An 'Adivasi Koothu' is also conducted with the Kalavoottu festival which is primarily associated with the Kovalan-Kannagi story, mentioned in the famous Tamil literary work 'Silappatikaram'. It is also organized during the death ceremonies of kings and at times of official annual meetings.

It was really a fruitful programme. It really helps to understand the life situations of kozhimala village. TSW. Amrutha T.S delivered the welcome speech in this meeting. Fr. Dr. Xavier CS CMI delivered the presidential address and Fr. Biju Thomas delivered felicitation to this meeting. Ward member Mr. Anandan shared his memories about the village. Tribal king Mr.

## 7. Training of parents

National Parents Day is marked to appreciate the efforts of parents and their lifelong sacrifice. Parents provide mental, emotional, and financial stability to their children and make sure that they do not lack anything in life. Parents are the gift of God on Earth. Nobody can take their place in life. They play an important role in children's life. National Parent's Day is celebrated to promote responsible parenting and to recognize positive parental role models. The day also observes the special bond of love and care between parents and their children.

As a part of observing National Parents Day 2021, TSW Dijo Devis and TSW Aleena Joseph decided to conduct a training programme for parents of various Lower Primary Schools. As a pioneer step of this programme, the first year Trainee Social Workers were divided into 15 pairs and each group started to seek permission from school authorities.

By observing National Parents Day, each and every group of students successfully conducted their webinar by including the parents and school authorities of various Lower Primary Schools. The webinar was conducted by associating K. E College Mannanam and ASWEM with schools among various districts in Kerala. It was also a new experience for a majority of students. But as a result of the effective training towards them, everyone could easily deal with their responsibility. The main objective behind the programme is 'to give more idea to the parents about the parenting of the current pandemic situation'. Through the programme, parents were able to understand the need and importance of parenting as well as various ways to handle children. Majority of parents remarked this programme as a great informative session which helps their day to day activities.

## 8. Training of Trainers

On 18<sup>th</sup> July 2021, the Trainee Social Workers made a list of groups by including the details of respected schools and the allotted date of their programme.

On 20<sup>th</sup> July 2021, an online training session 'Training of Trainers' was conducted for training the Trainee Social Workers. The programme started at 3 pm with a prayer song by TSW Chanchal. G, followed by a welcome speech delivered by Ms. Elizabeth Alexander, head of the social work department. The main aim of the programme was to generate the knowledge and guidelines to train the parents about the importance of right parenting in a pandemic. The session was effectively handled by the Resource Person, Ms. Anju Sebastian (Trainer cum Counsellor, CPLI – NISD Project, Government of India). During the session, the resource

person clearly explained about the problems faced by the children, how to manage children in an effective way and also about how to improve their social skills. After the session, a vote of thanks was delivered by TSW Aleena Joseph. Finally, as a part of expressing our gratitude towards the resource person, a certificate of appreciation was delivered by the department head, Ms. Elizabeth Alexander. Thus the training programme ended at 4:15 pm.

### 13. Mannanam Jetty –“Chavara Kadavu Cleaning Campaign”

Mannanam Boat Jetty commonly known as “Chavara Kadavu” is a place of historical and economic importance. It’s the place where Saint Kuriakose Elias Chavara first arrived at Mannanam and gradually created Ashramam and schools here. Also, it’s a jetty on the side of Meenachil river and Pennaar thodu through which goods were carried over to the old Athirampuzha market in the beginning of 1900s. But later it lost its significance with the development of road transport. From 2018 onwards the NSS unit of our college along with the St. Joseph’s Training College initiated the renovation of Chavara Kadavu to make it a prominent place in the pilgrim tourism map. With this objective in mind a trust has been created as “River Protection Samithi” and our programme officer Ms. Neethu Jose is one of the Vice presidents of the trust.

Since 2018, our volunteers had undertaken shramadhaan activities for the renovation and maintenance of the Jetty by removing weeds and other plastic materials from Pennaar thodu which got deposited from the nearby areas during rain. This year also we conducted two shramadhaan on 22nd October 2021 and 5th March 2022. With the continuous efforts, recently the Mannanam Jetty was included in the tourism project by DTDC and they conducted a pilot

### 14. Flood Relief Activities

Just like 2018, this year also Kerala witnessed a huge natural calamity because of the flood. Among the affected areas Kootikkal panchayat of Mundakkayam was the worst affected which took away the lives and livelihood of many people. Realizing the pathetic situation, we organized a fund collection and raised around Rs. 14,000. Kitchen utensils were purchased with the fund and arranged as twenty kits for twenty families. Volunteer leaders and programme officers Ms. Neethu Jose, Ms. Chinchu Rani Vincent, and Mr. Shamal T.M visited the affected areas and spent some time with the volunteers of Jesus youth who were sorting the materials offered by a large number of helping hands at St. George Orthodox Church, Kootikkal.
