4. Energy Conservation Awareness Programme at schools in Idukki District

Date: 23rd & 24th November 2022

No of days: 2 days & Number of participants: Almost 800 Students of 13 Schools

The Department of Physics with applied electronics conducted a two-day awareness Programme on the conservation of energy for the students in school at Idukki District. The Staff Members of the Department Ms. Deepthi S Nair, Mr. Anish Kumar P.S, Ms. Sruthy S, Ms. Sunu Ann Thomas, and Mr Manu P. Rajan visited 13 schools in Idukki District and gave awareness to around 800 students on how to conserve energy and the various methods they could adopt to reduce the electricity consumption. This program served as a unique opportunity that facilitated the students to become aware about the efficient and safe usage of electronic and electrical appliances.

7. Awareness programme on water conservation

As a part of *International World Water Day* celebration-2023, Department of Chemistry, K.E college, Mannanam conducted an awareness programme on water conservation for the people of Vechoor Gramapanchayat on 22nd March 2023, in association with M.S Swaminathan Research Foundation and Harithakeralam Mission.

Mr. Jibin Thomas, MS Swaminathan Research Foundation welcomed the gathering and Mr. K.R Shyalakumar, President of Vechoor Gramapanchayat presided over the meeting. Mr. Ajith Kumar, Harithakeralam Mission delivered a special message. Dr. Jesty Thomas and Dr. Litty Joseph, faculty members in Chemistry, K.E College, Mannanam gave technical training and awareness programme on water conservation. Vechoor Panchayat is a region where people are facing scarcity of pure water in spite of the availability of many water bodies. Dr. Litty Joseph explained different methods to conserve water and Dr. Jesty Thomas imparted her knowledge on water pollution remediation and conservation of pure water. They expressed their

8. Cleaning campaign - Nearby roads

AIM – The aim of the cleaning campaign on Youth Day is to empower and mobilize young people to actively participate in beautifying their communities while fostering a sense of civic responsibility and environmental stewardship.

ORGANIZED BY – Department of Psychology (S.F.)

DATE: 22 / 08 / 2022

VENUE – Kuriakose Elias College, Mannanam

NUMBER OF STUDENTS – 85

NUMBER OF FACULTIES -3

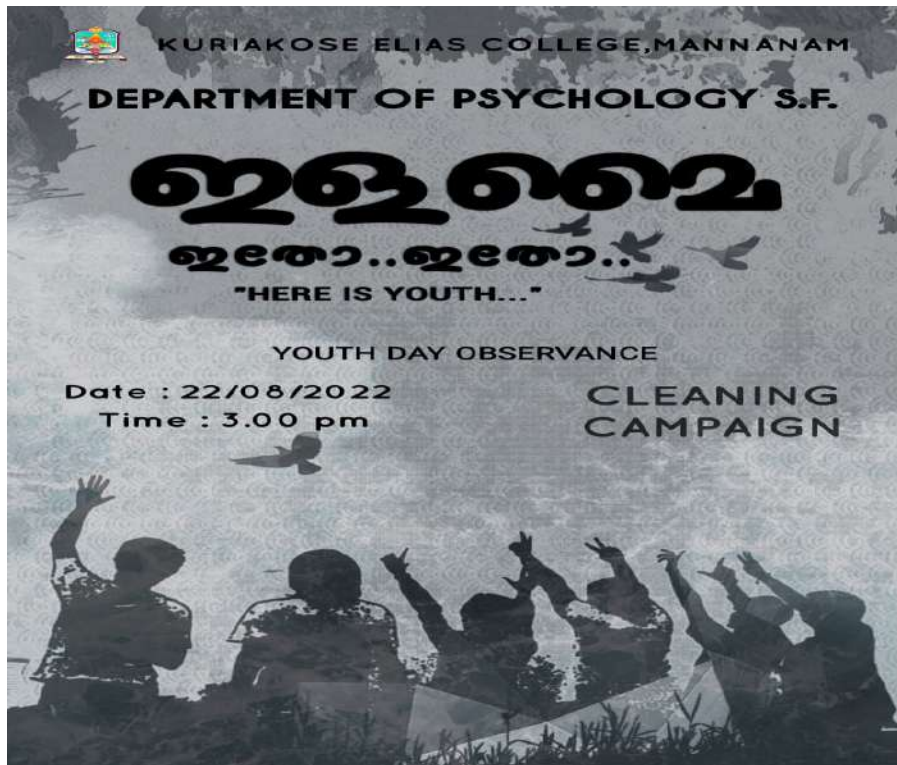

Psychology SF department of K.E College observed Youth day by conducting a cleaning campaign which was named "Ilamai Itho...Itho" on 22nd August. Students of both 2nd DC and 3rd DC partake in this campaign. The students were briefed on the itinerary of the day beforehand by the department. This campaign was led by Aaron Dan Anujan of 2nd DC. The campaign started at 3 in the afternoon and continued until 5 in the evening and the area of cleaning was from the front gate of the college to the front of Pope John hostel.

Students as well as teachers took part in this campaign. Gloves, as well as equipment, were provided to the students. As the quote suggests "A little effort makes a huge difference", students and teachers toiled hard to clean the surroundings. Students were set as groups and focused on certain areas to clean. Each group was subdivided and each sub-group were to pick papers and plastic, respectively to segregate the waste for easy disposal. Refreshments were handed out to everyone after the cleaning and everyone bid adieu after clicking a picture together as a group.

OUTCOME - The cleaning campaign was very systematic and went smoothly and was successful in completing it and cleaning the area.

11. Awareness class on bad impact of plastics

PG Department of Social Work, K.E College Mannanam in association with ASWEM celebrated International Plastic Bag Free Day on July 4, 2023. As part of the commemoration, a workshop on paper carrying bags was conducted at St Gregorius U.P School, Mannarkkunnu. The program focused on raising awareness about the negative impact of plastic bags on the environment and to encourage people to stop using single-use plastic to eliminate environmental pollution and be the source of encouragement for people who are marginalized in society. Promoting inclusiveness in social work practice is crucial to ensure that everyone is treated by respecting the dignity and worth of the person, which is one of the core values of the social work profession.

12. Workshop on paper carry bag making

The PG Department of Social Work, aimed at promoting inclusiveness in each and every sector where we established our signature. Hence, all the activities of the academic year 2023-2024 recognize the skills of differently-abled people with a primary intention of bringing them into the limelight. Our intention is to actively work on removing prejudices, discrimination, and obstacles that keep people from receiving the assistance and services they require. We are delighted that our first programme of this academic year will be for their upliftment and, on behalf of that; the workshop was led by Mr. Bibin Johnson, a young entrepreneur, who belongs to Holy Cross Special School, Mannackanad. The trainer taught children to make paper carry bags such as cake carrying bags, cloth carrying bags and stationary paper bags etc. The trainer was accompanied by the teaching and non-teaching staff of Holy Cross Special School, Mannackanad.

People with different abilities are capable of carrying out every task that a typical person can carry out; they have a unique way of doing everything. We are working on excluding exclusiveness and promoting inclusiveness to make a better tomorrow for them with the fragments of love and care

13. Renovation of Housing

As part of the first semester concurrent field work, the social workers have analysed the pathetic and damaging condition of a ruined house in Athirampuzha Grama Panchayat.. The trainees visited the house and found out the living condition of the family members. The family has been unable to renovate the house for the last ten years. After a detailed analysis, the trainees presented the issue to the fieldwork supervisor Ms. Sherin KC and thus, the faculty members and students together planned to renovate the house as soon as possible. At first the trainees approach Athirampuzha panchayat office to submit a request letter along with a narration of the conditions and the problems faced by the family. But the response from the part of the panchayat office was quite despairing. Then the trainees took the initiative to maintain the house and as part of that, the trainees visited Philokalia a Social Welfare Centre located in Kottayam district of Kerala. Trainees submitted a project proposal for the renovation of the house. The agency agreed to spend the half of the expenses and the students were assigned with yet another task of finding a sponsor to provide the fund. Finally, the PTA member of the Social Department Mr. Baby George informed his consent to the department for being the sponsor. The financial support from the department was guaranteed by Fr. Biju Thomas CMI, the bursar & the faculty of Social Work Department, K E College, and Mannanam. As per the requirement the social work trainees submitted the reports, a concern letter from the ward member and a request letter of the family to the agency. The construction works of the house are in its processing stage.

14. Walk for Freedom

Walk for Freedom is the world’s largest event to raise awareness about human trafficking happening simultaneously in 500 locations across 50 countries. Globally, the Walk is organised on 15th October 2022 by A21, an international NGO in the fight against modern-day slavery. To date, Walk for Freedom has reached over 250 million people across 72 countries, with thousands of events and tens of thousands of participants.

The Walk for Freedom in Ettumanoor is made possible by the coming together of the city’s colleges, corporates and civil society community members. Participating organisation include Kuriakose Elias Development Action & Service Society (KEDAS, K E Outreach), The Social Work Departments of both Ettumanoorappan College and KE College AHT Clubs of both colleges, NSS Unit No 75 of Ettumanoorappan College, NSS Unit No.20 of K E College Mannanam, Government Higher Secondary School and Government Vocational Higher Secondary School Ettumanoor.

The program started with the welcome speech delivered by Adv.Reni K Jacob (Legal consultant IJM), he also introduced the chief guest of the programme Sri Sudheesh Kumar S

16. Survey on Computer literacy and awareness

The Department of Computer Applications carried out a survey on 4th March 2023 to understand the level of computer literacy and awareness in the local community. The aim of this campaign was to empower the people of the neighbourhood to develop their computer literacy. The survey conducted by the group of 4 students was successful as they covered around 20 houses nearby our college in the academic year 2022-23. They interacted with people in the neighbourhood locality and asked them to questions about their computer knowledge. In addition they also provided very helpful guidance to people who were less knowledge about computer. The survey was guided by faculty Ms. Ann Maria Jose. Overall survey was successful and the students were able to gain useful information about the computer proficient in their locality.

COURSE OBJECTIVES

- To give basic computer knowledge to the local community
- To improve digital equity
- To improve social opportunities
- To increase online safety

 Prof. (Dr.) Ison V. Vanchipurackal
 Principal
 Kuriakose Elias College, Mannanam
 Mannanam P.O., Kottayam - 686 561

- To give basic ideas about E-PAYMENTS

LEARNING OUTCOMES

Upon completing the survey, the community will be able to:

- Identify basic concepts and functions of computer.
- Select and use appropriate software application to complete a particular task.

17. Microteaching for School Students

The Department of English, KE College, Mannanam conducted a Microteaching Programme for the students of third year B.A. English Literature students on 23rd January 2023. Microteaching is a teacher training technique for learning teaching skills. It helps in developing confidence in student teachers and also in mastering a number of teaching skills.

The Microteaching programme was conducted at St. Joseph's U.P. School, Mannanam. The programme was coordinated by FR. Joby Joseph Mukalel and Ms. Chinchu Rose George. Many meetings were conducted by the teacher coordinators to give an idea about microteaching to students. The teacher coordinators allotted particular classes to the student teachers and were allowed to select topics according to their classes. Teaching plan and teaching aid were prepared by the student teachers.

The programme was conducted on the afternoon of 23rd January 2023. A small meeting was conducted in the school prior to the programme and student teachers joined the allotted classes. The activities prepared by the student teachers made an interest in children and they actively participated in the microteaching session.

Ison V. Vanchipurackal
Prof. (Dr.) Ison V. Vanchipurackal
Principal
Kuriakose Elias College, Mannanam
Mannanam P.O., Kottayam - 686 561

The students maintained good cooperation with the student teachers. They learned, played and enjoyed a lot. Certain gifts were given by the students to their student teachers which showed their love towards them within that short span of time. The programme concluded in the evening with a meeting held in the school. The teacher coordinators as well as the student teachers shared their experience in the meeting.

The Microteaching Programme was very useful for the aspiring teachers and also had a stunning experience to all the student teachers and that the programme was a huge success. Thanks to the teacher coordinators Fr. Joby Joseph Mukalel., Ms. Chinchu Rose George, the English Department of KE. College, Mannanam the Principal of St. Joseph's School Mannanam, the teachers and staff of the school and all the students who patiently attended the programme.

21. Helping Hands

HELPING HANDS is a project initiated by KEDAS and DREAM for drug abuse prevention. The services provided through the project include professional counseling, training and awareness for parents, teachers, and students, and Community Based Prevention Programmes. The project also offers free counseling services on campus for students and outside the community. So far we trained more than 2000 students, youth, and parents about the aftereffects of drug use.

23.Cleaning Campaign at Children’s Park of ICH Hospital

In connection with the Gandhi Jayanti Day celebrations our unit organised a cleaning campaign at Children’s Park of I.C.H hospital, Gandhinagar in association with the Y’S men Club Mannanam. The cleaning programme was inaugurated by our Principal Dr.Ison V Vanchipurackal in the meeting presided over by Dr.Jayakumar, Superintendent of I.C.H Hospital. Our volunteers cleaned the whole garden with much enthusiasm and this work gave one of the most heartfelt experiences to our volunteers. The garden was full of weeds and thorny bushes which made the small children scared to enter the park. But after our Shramadhan all the children who came to the hospital for treatment having severe diseases were able to spend some happy time with other children. Seeing the happy faces of these children we decided to undertake the responsibility of maintenance of this park with the support of Y’s men Club. The second phase of the cleaning programme was during our special camp on December 27th 2022 which was inaugurated by Dr.Rosamma Sony, Member District Panchayath and the third phase of cleaning was on 13th April 2023.

26.Chavara Kadavu Cleaning- March 22

Water Day is observed to create attention among the public on the importance of fresh water and advocating for the sustainable management of fresh water resources. Maintenance and cleaning of Chavara Kadavu is one of the projects undertaken by our unit from 2018. During every rainy season Mannanam jetty will get covered with water weeds from Meenachil river. Even though it's a tedious task our volunteers will take part in this with Great interest.

27.Awareness Programme on World Ozone Day

World Ozone Day is observed on September 16 every year to spread awareness about the depletion of the ozone layer and find possible solutions to preserve it. To spread awareness about the importance of the ozone layer and the need to protect this fragile shield of gas, the students of the second-year BSc Zoology students engaged in various activities.

On 22nd of September 2022 students of UP section from St. Joseph's School, Mannanam was invited. A short PowerPoint presentation was presented to the students by Mareesha Devi and Veena Gayathri of II BSc Zoology. Through PowerPoint presentations, children were apprised that ozone layer is a natural part of our atmosphere and shields earth from most of the sun's harmful ultraviolet radiations. UV rays can be very damaging for our planet- for plants, humans and animals all alike.

The students were also sensitised that as a result of ozone depletion there will be increase in earth temperature, melting of glaciers, cancerous disease and rise in the level of ocean and many more.

After the presentation, a short quiz was conducted. Active and energetic participation of students was observed throughout the session and quiz. On the whole it was a creative and interesting session, which enlightened the students and made them realise the seriousness of the situation.
