**NET/SET COACHING**

NET/SET Wing of K.E College organized subjectwise orientation Programme and coaching classes for the PG students through the online platform google meet. Dates are mentioned here.

Batch	Date
M.Sc Analytical Chemistry	13 th September 2020
M.A. Economics	16 th October 2020
M.Sc Physics	6 th January 2021
M.Com	23 rd January 2021

The NET/SET coaching wing of K.E. College must always be considered as an additional tool /support that can help the students in performing better in their regular studies and also in competitive exams. The practice of coaching in the classroom is one of the most effective ways to bring out the best in students, to develop their talents and strengths, to build skills and confidence, and to nurture learning. The NET or the National Eligibility Test is an examination of the National level that gets conducted by University Grants Commission of India. This exam is specifically meant for the students of Post Graduation level who wish to take up teaching jobs at the university level in the country and also aims at testing the ability of the students to apply for posts like Junior Research Fellowship or Assistant Professor in various colleges and universities in India. It aims to ensure minimum standards for the entrants in teaching professions and research. Coaching can help the student in cracking the exam in an easier way. Apart from subject wise preparation strategy and self preparation, a coaching is specifically meant for developing skills in mathematical reasoning, logical thinking, data interpretation etc. 90 PG students participated in the orientation programmes and also in the coaching classes arranged by the respective departments in different dates.
