Nature of Event	Competitive Exam

The Indian civil service offers the most coveted jobs in this country. Over a million people attempt the UPSC Civil Services Exam every year, and only about 0.2 percent is selected. Aspirants have to toil hard to reach this point. It is ideal that they begin their preparation as early as possible preferably during their graduation years. Keeping this in view, K E College, Mannanam has signed an MOU on 10th October 2022 with Civil Service Institute, Palai established in 1998 under InterDiocesan Council for Human Resources Development, for providing training support for competitive examinations and career development. As per the MOU, the Civil Service Coaching Club in association with Civil Service Institute, Palai conducted an Orientation and Interactive session on Civil Services on 14th October 2022 at 2.30pm for first year students of the College. Sri. Jubin James, Chief Academic Coordinator, Civil Service Institute Pala served as the resource person. The programme began with a prayer song. Ms. Amal Sharin T J, Convenor of Civil service coaching welcomed the gathering. The resource person gave a detailed account of the civil services. He also explained the various strategies to be adopted for success in the exam. He elaborated on the importance of time management and early preparation. The students also got a chance to get their doubts and apprehensions cleared. Ms. Deepa Mary Joseph, Co-Convenor of Civil service coaching rendered the vote of thanks. Forty nine students participated in the programme. The Orientation programme kindled in students the aspiration for clearing the civil services examination. Eleven first year undergraduate students joined the Add on programme offered by the Civil Service Institute, Palai and completed the course successfully. The students were offered the course at discounted rates as agreed upon in the MOU.
