DETAILS OF STATUTORY/REGULATORY COMMITTEES

2018-2023

STATUTORY/ REGULATORY COMMITTEES

Effective functioning of statutory and regulatory committees is crucial for maintaining a fair and safe academic environment. Over the academic years 2018-2023, the Grievance Redressal Cell, Anti-Ragging Committee, and Internal Complaint Committees have played key roles. The Grievance Redressal Cell addresses and resolves complaints, ensuring transparency and fairness. The Anti-Ragging Committee works to prevent ragging and ensure a safe environment for students. Internal Complaint Committees handle issues related to sexual harassment and discrimination, providing a confidential and impartial platform for resolution. These committees collectively support institutional integrity and protect the rights of all members of the academic community.
