Dear BIBIN JACOB,

Your application to study in Canada has been approved. A permit authorizing your studies will be issued to you on your arrival to Canada following an examination by an officer of the Canada Border Services Agency, subject to your compliance with the requirements of the *Immigration and Refugee Protection Act* and its Regulations. The officer will ask to see this letter, your passport and may request to see your supporting documents, such as the letter of acceptance from your educational institution. Do not pack these or other valuable papers in your checked luggage. You can find out more about which documents you will need to bring with you by visiting www.cic.gc.ca/english/study/study-arriving.asp.

As you gather your documents, please take note of the following:

- **This letter is not a passport or travel document.** You will not be permitted to board your flight without your passport, even if you have this letter with you.
- **This letter is not an authorization permitting you to enter or remain in Canada.** An officer of the Canada Border Services Agency will make that determination upon your arrival to Canada.
- **This letter is important** because it contains information that will be used by the Canada Border Services Agency to issue your study permit. Please do not misplace it.

You must seek entry to Canada to obtain your study permit by 2023/12/31 (yyyy/mm/dd). Your passport must be valid beyond the period you intend to remain in Canada. If not, the validity of your study permit will not be issued beyond the expiry date of your passport, or, for United States citizens and permanent residents, the validity date of your identity document.

Note: As an international student in Canada, it is your responsibility to ensure that you continue to meet the conditions of your study permit, including the requirement to actively pursue studies. Your study permit will automatically become invalid 90 days after you complete your study program, regardless of the expiry date indicated on your study permit. For more information, please consult: <http://www.cic.gc.ca/english/study/index.asp>.
