Dear Alisha

Re: Your Confirmation of Acceptance for Studies (CAS) from Bournemouth University (BU)

Please read all the information below carefully before you submit your **Student Entry Clearance/permission to stay (visa)** application. You must also carefully follow all the instructions that you are given by Home Office UK Visas and Immigration department (UKVI) and their partners during your visa application.

We are pleased to confirm that we have assigned a CAS to you for your visa application. **A CAS is an electronic record** that BU created in the UKVI's database about you and your BU course. Therefore no paper version exists and there is also **no need to print or submit this email with your visa application**. You just need to copy the information from this email into your visa application form.

If any of the information below is **incorrect** or if **anything changes** (e.g. you change your personal details, have paid more course fees etc.) you must contact us about this **before** your visa application is submitted; your CAS will not be automatically updated. Students starting new courses need to contact the [International Admissions Team \(IAT\)](#), current BU students extending their existing visa for the same course need to contact [AskBU](#).

If you fail to contact us about changes, you will not be able to correct your granted visa, and your visa application could even be **refused** and you may not be able to start/continue your studies.

It is our legal requirement to start monitoring you once your CAS is assigned and as long as you are sponsored by us. Therefore **any changes to your offer and studies must first be authorised by us and all changes must be reported to the Home Office**, which [could affect your immigration status](#).

For the most up-to-date and full set of **rules and requirements** of a Student Entry Clearance/permission to stay application, you must visit this [GOV.UK website](#).

For **BU specific guidance** about supporting documents, how much money you need, credibility interviews, please [visit our website](#). You may also be able to [seek advice from our trained advisers](#) and have your supporting documents checked before you submit your visa application. We strongly recommend that you use our services (subject to availability).

If you are [applying for Student Entry Clearance from outside the UK](#) your **Entry Clearance vignette** (sticker) in your passport is only going to be **valid for a limited amount of time** to allow you to travel to the UK. A **Biometric Residence Permit (BRP)** will then need to be collected once you have actually arrived in the UK. This BRP will show the full length of your visa. To be able to collect your BRP directly from BU, you must choose the **Alternative Collection Location** option during your visa application and use our **ACL code 2HE577**. If you do not use our ACL code, you will need to
