Governance, Leadership and Management

6.1.1: Institutional Vision and Leadership

6.1.1.

Sustained Institutional Growth

SUSTAINED INSTITUTIONAL GROWTH

The sustained growth of the college is in alignment with its vision to be “a centre par excellence of learning, unique in experience, value-based in approach, and committed in service” is evident as it holistically addresses both the intellectual and moral development of individuals. The mission to "facilitate comprehensive and integral development" is visible in the institution’s ability to empower students and faculty to become agents of change—individuals who have the courage to dream and the tenacity to achieve, all while staying rooted in righteousness and service to society. The college aims to create a unique learning environment that nurtures individuals to become forces for good in society, equipped with the skills, values, and courage to make a meaningful impact. In the context of a college whose vision and mission are to provide excellence in learning, a value-based approach, and service-oriented education, the growth becomes visible in several tangible and intangible ways. Here's how the vision and mission can be visible in sustained institutional growth:

Kuriakose Elias College, Mannanam has consistently demonstrated a remarkable trajectory of growth, aligning with its visionary mission to foster academic excellence, innovation, and societal impact. This sustained growth is a direct result of the institution's unwavering commitment to its core values and strategic planning.

EXCELLENCE IN LEARNING AND ACADEMICS

The institution's vision of becoming "a centre par excellence of learning" signifies a commitment to continuously raising the bar in terms of academic quality. This is reflected in:

- **Curriculum Innovation**

The institution always strives to introduce cutting-edge, industry-relevant programmes, interdisciplinary courses that cater to the evolving demands of the job market. The college will be introducing UG Honours programmes next year onwards in accordance with regulations of the University to whom it is affiliated to. The college has applied and sanctioned 9 skill-based courses under National Skills Qualifications Framework (NSQF) during the year 2020-2021. It also has introduced various add on and certificate courses.

EXTENSION AND OUTREACH ACTIVITIES

The College is committed to fostering a culture of social responsibility and community engagement. Our vision is to empower individuals and communities through education, innovation, and collaboration. In line with the mission, the college has been actively conducting outreach and extension activities that benefit society and promote sustainable development.

- **Construction of a Haven for a needy person from nearby community**

As part of the college's mission to foster social responsibility and contribute positively to society, we embarked on an extension and outreach activity aimed at providing assistance to an individual in need from the nearby community. The project, which was the **construction of a haven (shelter)** for a needy individual, was organized by Kuriakose Elias College NSS Unit in collaboration with Chittilappally Foundation and M.G University NSS. This outreach program reflects the institution's commitment towards social engagement.

Sub: Centres for conducting sespister exams of Sacred Heart College (Autonomous) for the even semester of 2019-2020 in your district – request reg.

Dear Sir/Rev. Father

Greetings from Sacred Heart College, Kochi!

Under the severe constraints of the COVID times, the college is trying to organize exams with least difficulty for the students, by providing centres for exams in all the districts of the state, as per the policy of the government of Kerala.

We thank you for graciously permitting us to hold the exams in your centre. Request your fullest support for the smooth conduct of the examinations to be held from June 5th to 12th, 2020.

Further details regarding personnel etc. will be communicated later.

Kindly send us a bill regarding the expenses involved if any and we will reimburse the same.

Thanking you in anticipation,

Yours truly,

Dear Prof Divya Joseph,

Sub: Invoice from Mentor institutions (MI) - ODOI Innovation Cluster program -reg:

Ref: 1) EOI to undertake preparation of innovation action plan for MSME cluster development - ODOI program dated 15-01-2021
2) Proceedings (15/2021/KDISC dated 22/11/2021) para 7
3) MOU with MI and KDISC dated 08 Dec 2021

As per EOI and MOU submitted by the Institution, KDISC is pleased to award the work on Action plan preparation on the identified MSME clusters.

In continuation with mentor development programs and review on potential clusters identified for detailed study and diagnostic report preparation by your institution, it is here by requested to submit an invoice towards the expenses.

The first instalment is 20% of the total sanctioned amount (Rs 91400) will be released on receiving the invoice from the Mentor institutions.

The details of potential clusters requiring innovation intervention identified and reviewed by the institution for completing the study are provided below.

Name of Institution	Name of cluster	Total Amount Sanctioned (Rs)
Kuriakose Elias College Mannanam	Rubber Cluster	457000

The Institution(s) should complete the stipulated work adhering to the estimates provided. No further payments shall be made for the work/time spent beyond the estimated amount of days/work. Institution(s) are directed to furnish a statement audited by a chartered accountant after completion of the project.

Looking forward to your continued support towards the ODOI program.

Yours Sincerely,

Dr. P. V. Unnikrishnan

- **MoUs & Collaborations**

The college has been proactive in enhancing the quality of education and providing valuable opportunities for its students by signing a total of 29 Memorandums of Understanding (MoUs) with various national and international organizations in the areas such as research, academia, industry, and skill development. Most of the MoUs are for the skill development of the students. These collaborations are aimed at fostering research, academic excellence, industry engagement, and skill development among students. The

primary focus of most of these MoUs is on the skill development of the students. Recognizing the importance of equipping students with the necessary skills to excel in their respective fields, the college has prioritized collaborations that offer training programs, workshops, and certification courses. These initiatives are designed to enhance the employability of students and prepare them for the dynamic demands of the global job market.

ALUMNI CHAPTERS

Our college has always taken pride in fostering a lasting bond with its alumni, creating a vibrant and engaged community that extends across the globe. Our alumni remain deeply involved in the development of the college, contributing to various initiatives that benefit both current students and the broader community. Through mentorship programs, lecture series, and networking opportunities, our alumni play a pivotal role in enriching the college environment. To strengthen the bond with our alumni, the college has established alumni chapters and for international alumni, chapters in the United Arab Emirates (UAE) and Australia are also established. These chapters serve as hubs for alumni living abroad, enabling them to stay connected with the college and one another, and to contribute to its growth.
