That which makes most sense  
As she reflects a heavenly face.

The competition was held in regard with Kerala Piravi or Kerala Day commemorated by the department. The competition was open for all students of the college and a total of 30 students took part in the competition. The criteria for judging the essay included relevance to the topic, creative writing and appropriate grammar. The ability of the students to verbalize their thoughts and opinions were given the most importance while selecting the winning essay.

The winner of the competition was announced at a later date. Gloria Gracy Babu (3rd year – Department of Psychology) secured the first place and was awarded cash prize of Rs. 1001 and a certificate of achievement. They were presented to her by the principal, Dr. Ison V Vanchipurackal. The main objective of the competition was to instill in students a sense of pride in our roots and in our mother tongue that is, Malayalam. The present generation often tends to forget the great history of our state and fails to value our own culture and traditions. The rising tensions of everyday life tends to make us forgetful of our own history. Taking time to commemorate important dates helps students to revive to consciousness the historical importance and develop a sense of appreciation of our roots. It is important to inculcate in students a sense of unity and appreciation for our uniqueness as a society.
